The National Society of the Daughters of the American Revolution as its Official Organ

---

Devoted to American History and Patriotism

---

Editor: Mrs. Mary S. Lockwood

---

The greater part of the Magazine is made up of original articles relating to American history, including, in addition to general articles, biographies, local history, traditions, old manuscripts and letters, and in a broad and liberal sense anything which will add to the better knowledge of the history of our country.

It is the only medium by which the Daughters of the American Revolution can keep in touch with the progress of the Society, because of the published reports each month of the meetings and work of the Chapters.

In addition to the historical articles, the Magazine will contain matter relating to the National Society, viz.: Minutes and official announcements of the Board of Management; The Proceedings of the Continental Congress of each year; Reports of Chapters, etc.

Subscription price, \$1.00 a year, beginning in January or July. All communications relating to orders for magazines or to the business management should be addressed: The Business Manager, AMERICAN MONTHLY MAGAZINE, 902 F street, N. W., Washington, D. C.
